

Retrieve a NFC Certification Authority Certificate for SSL Communication with NFC's Certificate Servers (Netscape Navigator/Communicator)

1. Access the following URL from your Netscape Browser:

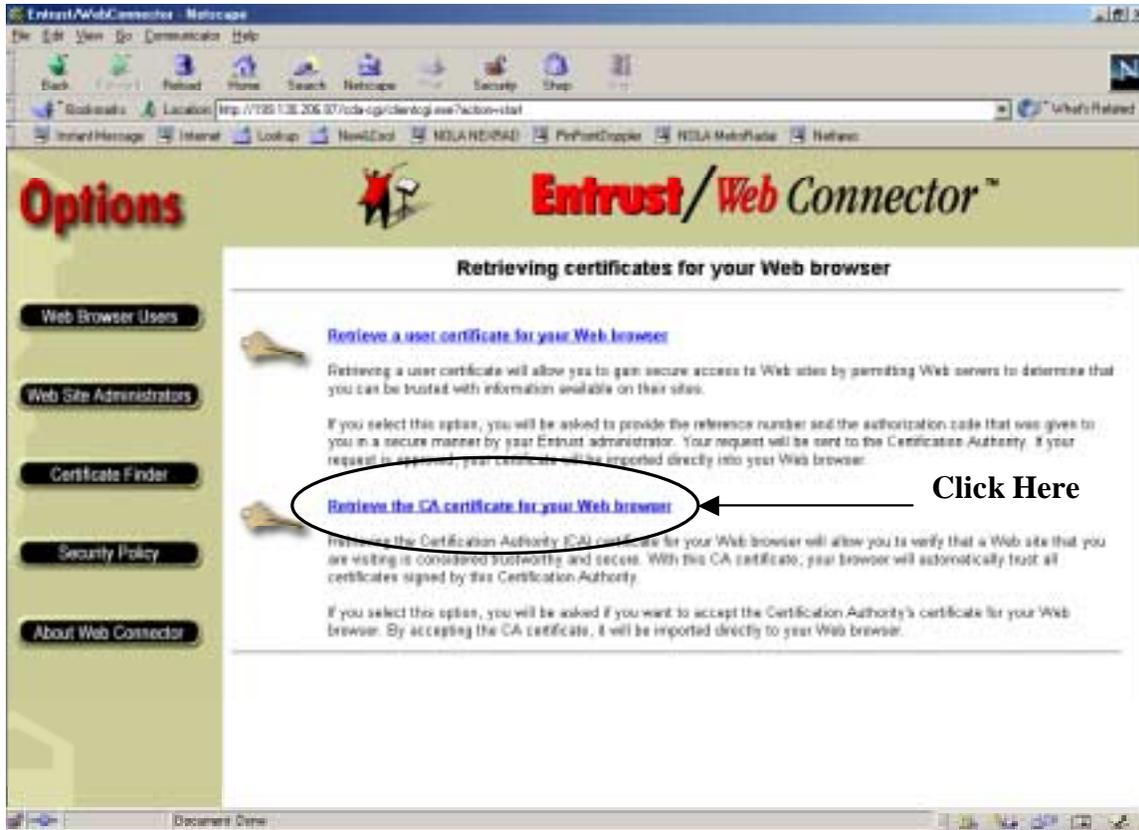

<https://zycl.hap.nfc.usda.gov/cda-cgi/clientcgi.exe?action=start>

The Entrust Web Connector page will appear

2. Click **Web Browser Users** (The Retrieving certificates for your Web browser frame will appear)

3. Click the **Retrieve the CA Certificate for your Web browser** link.

4. **New Certificate Authority** screen (1 of 6) will appear. Read it. **Click Next**

5. **New Certificate Authority** screen (2 of 6) will appear. Read it. **Click Next**

6. **New Certificate Authority** screen (3 of 6) will appear. Read it. **Click Next**

7. **New Certificate Authority** screen (4 of 6) will appear. The following three options for checking the purpose for certifying.

- Accept this Certificate Authority for Certifying network sites
- Accept this Certificate Authority for Certifying e-mail users
- Accept this Certificate Authority for Certifying software developers

Check off all three options. Click Next

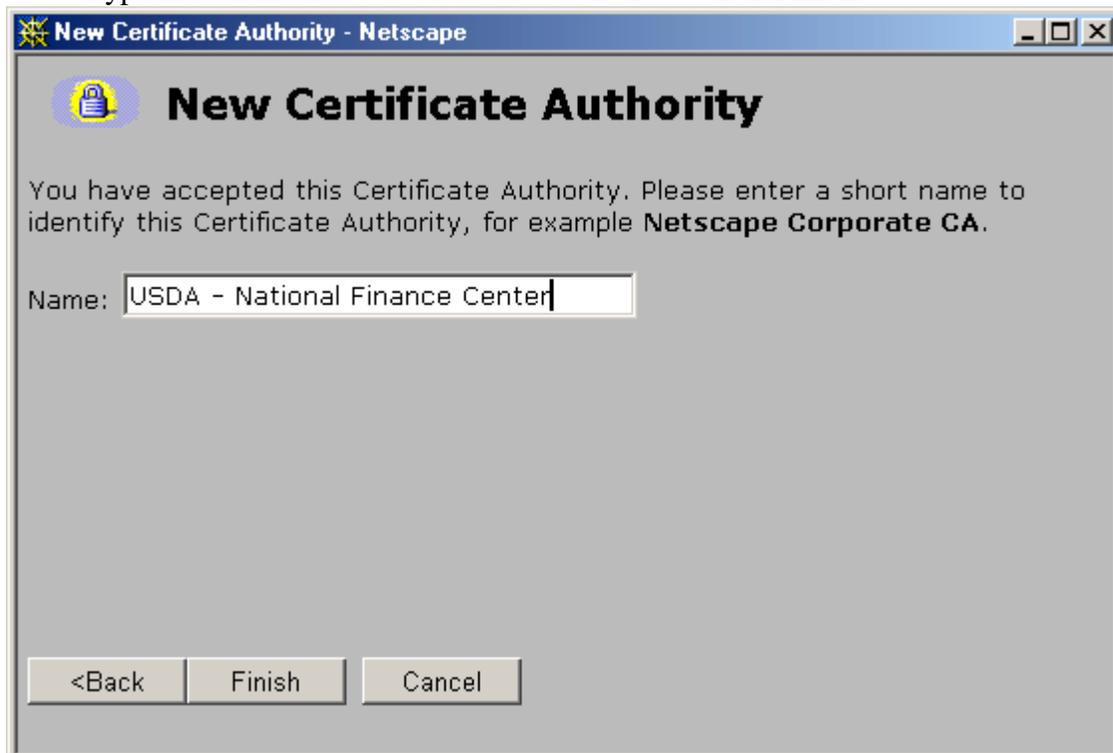

8. **New Certificate Authority** screen (5 of 6) will appear. A Checkbox asking if you want to be warned prior to use of this Certificate will appear. It is your option to check it off or not to check it off. **Click Next**

9. **New Certificate Authority** screen (6 of 6) will appear. A prompt will appear requesting you to give the Certificate Authority a Short Name.

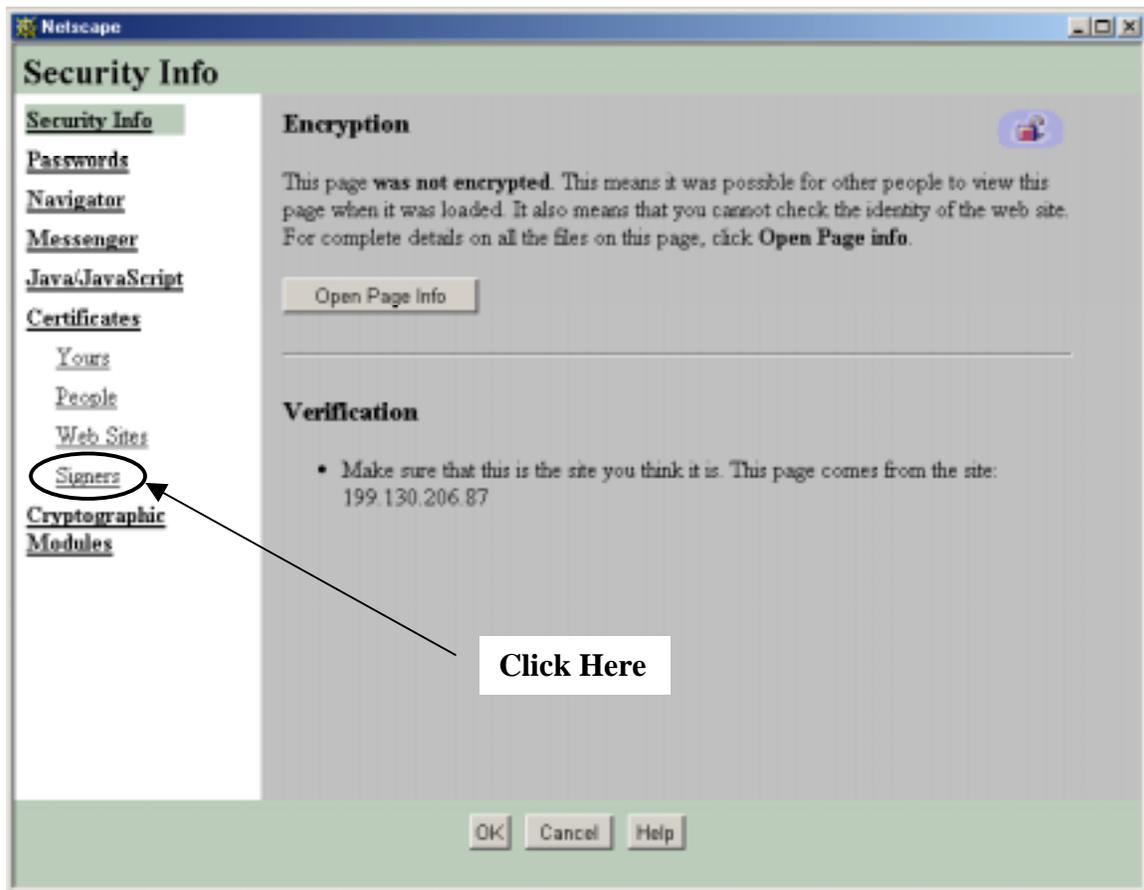

Type in **USDA – National Finance Center** **Click Finish**

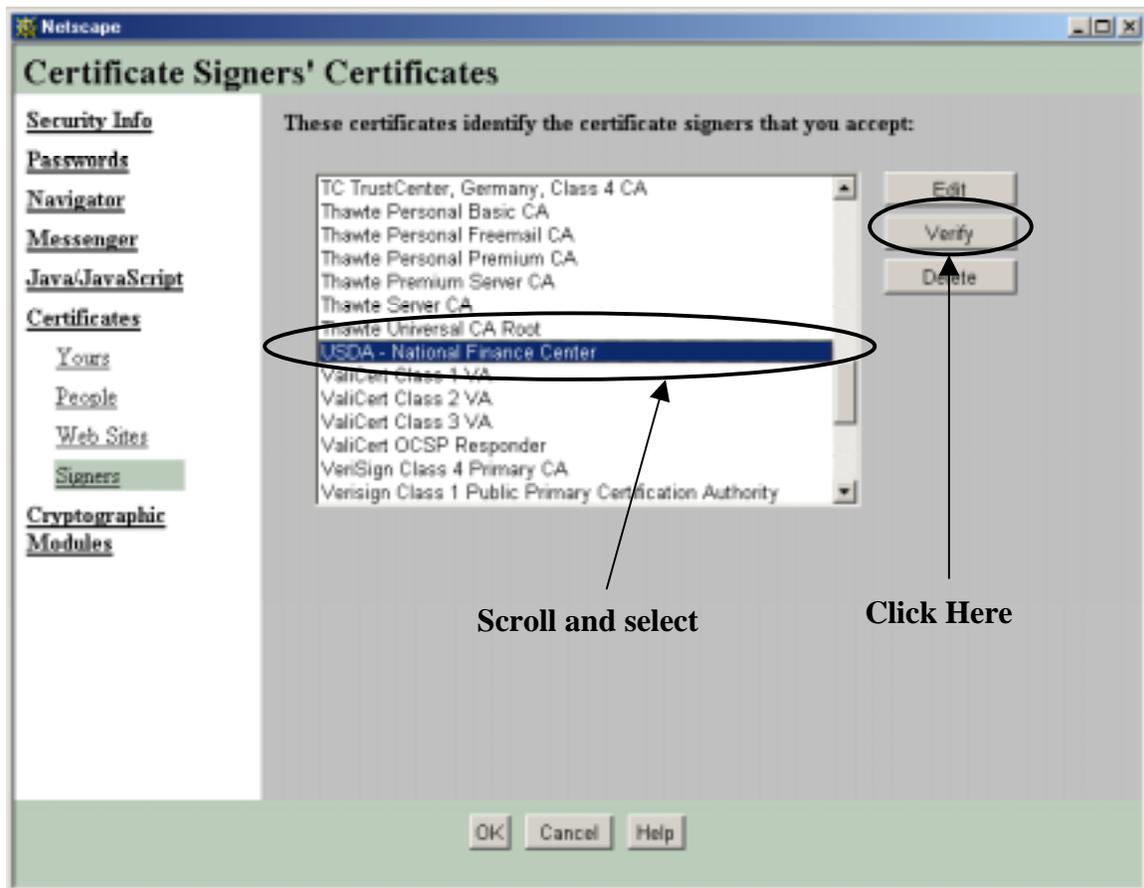

10. **Verify Root Certificate Authority (Step 1 of 4).** Click the Security Button on the Navigator toolbar.

11. **Verify Root Certificate Authority (Step 2 of 4).** Click the Signers link on the left side menu.

12. **Verify Root Certificate Authority (Step 3 of 4).** Scroll to the “USDA – National Finance Center” entry. Select the entry, then click the Verify Button.

13. **Verify Root Certificate Authority (Step 4 of 4).** This screen should appear. Click OK to exit.
